

Employment Opportunities

Governor's Office

On Wednesday, September 7, 2016, the Shelter at Home Program will be hosting a Contractor Job Fair in Baton Rouge from 6–9 p.m. at Bon Carré Business Center (7389 Florida Blvd, Baton Rouge, LA 70806, Main Lobby).

The five general contractors for the Shelter at Home Program will be taking information from tradesmen and sub-contractors who wish to provide their services to this flood recovery program.

NOTE: This will be one of several opportunities for local contractors, MBE/DBE businesses and trades to provide their information and speak to the general contractors procured by GOHSEP for the Shelter at Home Program.

The Federal Emergency Management Agency is hiring Louisiana residents for temporary work to help with the flood recovery process.

FEMA is advertising through the Louisiana Workforce Commission to fill open positions at its disaster recovery offices in Louisiana.

“These are full-time jobs, but of temporary duration, with benefits including health insurance, sick leave and holiday pay. Job duration varies, but some may last as long as FEMA is locally involved in the recovery. Benefits end when the job ends,” a news release said.

To apply, visit www.laworks.net, the website for “Louisiana Workforce Commission — Helping Individuals Reach Employment.”

- Click in the “DISASTER RELIEF WORK” box at the top of the screen, and then click on a job description to open detailed requirements and a link to apply.
- Once hired, applicants will receive appropriate on-the-job training.
- Candidates must be U.S. citizens, 18 years or older and have a valid government identification card such as driver’s license or military ID. Candidates will be subject to a complete background investigation.

Job Type : Contract
Career Level : Experienced (Non-Manager)
Education : Certification
Category : Building Construction/Skilled Trades
