### SHUTTLE SERVICE FOR PORT CITY CLASSIC

Ticket sales for Saturday's Labor Day Weekend Port City Classic have already reached over 26,000! According to sports officials at Grambling State University and Louisiana Tech University, as of close of business today, Thursday, September 2, 2010, GSU reported 15,000 tickets sold and LA Tech 11,000 sold. And they estimate at least another 8,000 tickets, between the two schools, will be sold by game day, Saturday, September 4, 2010. Fans can continue to buy tickets Saturday at Independence Stadium. The ticket office opens that morning at 10:00 AM.

"The numbers are outstanding," says an excited Mayor Cedric B. Glover. "However I'm concerned about the ease and availability of parking for the thousands of fans attending the Port City Classic. So that everyone will have an enjoyable experience, we are offering a convenient, comfortable, air conditioned, shuttle bus service to the game from Mall St. Vincent."

- Shuttle Service will begin at 4:00 PM on Saturday, September 4, 2010.
- Buses will pick up fans on the Northeast side of Mall St. Vincent (near Dillard's).
- The cost is \$5.00 roundtrip (cash) for adults and **FREE** for children 12 years old and under.
- Kick-off is 6:00 PM and shuttle service will continue to depart from Mall St. Vincent until 7:00 PM.
- Fans using the shuttle service will be dropped off in front of Independence Stadium, on Greenwood Road, at the North end of the stadium.
- After the game, buses will be lined up at the drop-off/pick-up site to return fans to their vehicles at Mall St. Vincent.
- Signs will be posted and persons will be available, to assist fans using the shuttle service.
