SPAR OFFERS "COOLING CENTERS" AT ITS 15 COMMUNITY CENTERS

SHREVEPORT, LA, August 10, 2010: Shreveport Public Assembly & Recreation (SPAR) offers area citizens a respite from the heat at its 15 community centers. The SPAR "Cooling Centers", open Monday through Friday from 8:00am - 8:00pm, offer free cold bottled water and air conditioned facilities to avoid the triple digit heat. The Shreveport Police Department has assigned officers at each of the "Cooling Centers" to assist the citizens.

SPAR community centers offer a variety of activities for those cooling out at the centers. Activities include computer rooms, exercise rooms, Wii games, basketball/volleyball courts, pool, ping pong, game rooms, cards, dominoes, big screen televisions, and staffs dedicated to serving the community's recreation needs. Don't fight the oppressive summer heat, cool out with SPAR!

For more information call or visit your nearest community center as follows:
