### **CHESAPEAKE'S CNG ROAD TRIP WITH MAYOR GLOVER**

**WHAT:** City of Shreveport Mayor Cedric Glover will be taking a road trip with Chesapeake representatives in the company's Compressed Natural Gas (CNG) bi-fuel Tahoe to the U.S. Conference of Mayors in Oklahoma City, Okla.

**WHEN:** **Departing:** Thursday, June 10  
8 a.m.

**WHY:** To show his support of the Haynesville Shale and the use of CNG, Mayor Glover will be testing the fuel himself in Chesapeake's bi-fuel CNG Tahoe as he travels to the U.S. Conference of Mayors. The Mayor and representatives of Chesapeake will make the six-hour trip on CNG, switching to gasoline when necessary, and refueling at a CNG station near Dallas.

**WHO:** Mayor Glover and Chesapeake's Kevin McCotter are available for phone interviews from the road.

**\*\*If interested in a phone interview with the Mayor or Kevin McCotter, please contact Katie McCullin at 423-9362.**
