FOR IMMEDIATE RELEASE

Suspects sought in robbery of local business

Investigators with Shreveport Police Department's Robbery Task Force are asking the public's help in identifying three subjects suspected of robbing a local business yesterday afternoon.

On August 14, 2017, just before 1:00 pm, patrol officers were dispatched to 628 East Kings Highway on reports of an armed robbery of the Sonic Restaurant. Officers arrived and learned that three subjects wearing dark clothing and ski masks and armed with a handgun entered the business and demanded money from the safe. The manager was unable to open the safe and all three subjects fled the restaurant on foot south bound behind the business.

Investigators responded to the scene and obtained video surveillance footage of the alleged robbery attempt. They are asking the public to view the video and contact Crimes Stoppers with any information they have about the crime or the identity of those that committed it.

Crime Stoppers can be contacted at 318-673-7373 or at the organization's website at Lockemup.org. Remember, Crime Stoppers only wants your information, not your name.
