FOR IMMEDIATE RELEASE

Investigation continues into officer involved shooting

Shreveport Police detectives are continuing their probe into an officer involved shooting where a suspect now faces attempted murder charges.

During the preliminary probe into the November 24th incident, police detectives arrested 23 year old Andre Bell after he allegedly attempted to run down off- duty, uniformed patrolmen responding to a theft at a local casino. Bell, who remains in police custody, suffered a non-life-threatening gunshot wound to the left shoulder during the ordeal.

Based on additional information and evidence gathered during the ongoing inquiry, two more police officers, one of whom is believed to have fired at the suspect, have been placed on departmental leave by Chief of Police Alan Crump. The investigation continues at this hour.
