

PURCHASING POLICIES

For those purchases of \$1,000 or less, a City department may provide a verbal Purchase Order number or a Procurement Card. For purchases exceeding \$1,000, a **written purchase order** must be issued by the Purchasing Division and forwarded to the vendor. In certain **emergency cases**, the Purchasing Division may authorize a Purchase Order for purchases exceeding \$1,000. This is a rare occasion and the vendor must have authority from the Purchasing Agent or designee to proceed with processing the order.

The City does not fill out credit applications; however, the following information is furnished so that you may open an account for the City:

1. In accordance with Act No. 1029 of the Louisiana Regular Legislative session, the City is exempt from all state and local sales and use taxes. Also, the City does not pay federal excise tax. Our registration number for tax-free transactions under Chapter 32 of the Internal Revenue Code is 72-790477-K. Our Federal I.D. no. is 72-6001326 & the State Exempt no. 4350450.
2. The City will pay the contractor upon presentation of a properly executed invoice after goods have been received, inspected and accepted. Invoices will be paid within thirty (30) days of receipt of complete and satisfactory delivery, or receipt of a properly executed invoice, whichever is later. Invoices should be mailed to:
