## **Moneybag thieves captured on camera**

Shreveport Police are asking the public's help to identify a duo of sticky fingered bandits following a theft at a local antique store last week.

On March 7, 2018 just before 5:00 pm, Shreveport Police patrol officers responded to the 700 block of Gladstone on reports of a theft. Officers arrived and made contact with employees and learned that two women entered the business just before closing and as one distracted the employees, the other took a moneybag from the counter. The entire incident was captured on video.

Investigators assigned to the case have made the video available to the public in hopes of getting the duo identified. Shreveport Caddo Crime Stoppers is offering a cash reward for information leading to the identification and arrest of the individuals responsible for this crime. Please contact their organization at 318-673-7373, lockemup.org, or via the app at P3Tips. Remember, Crime Stoppers only wants your information, not your name.
