FOR IMMEDIATE RELEASE

Man killed, woman injured in Highland shooting

A man is dead and a woman was injured following a double shooting in Shreveport's Highland neighborhood Saturday.

Shortly before 10:30 p.m. on July 14, 2018, Shreveport Police patrol officers were called to a residence in the 100 block of East Olive Street relative to a shooting. As officers arrived at the scene, they found a 25 year old male victim with multiple gunshot wounds and a 24 year old female shot in the arm.

Both victims were transported via ambulance to University Health Hospital, where the man, whose name has not been released, was pronounced deceased shortly on arrival. The female victim, whose injuries were considered non-life-threatening remains hospitalized. Based on preliminary findings, it is believed the pair was seated inside an SUV parked in the driveway of the residence when a man armed with a gun, approached the vehicle and opened fire, striking both victims. Two juvenile children present inside the SUV at the time of the shooting were not injured. Police are seeking to identify and apprehend the man responsible for the shooting. Persons with any information about this crime are asked to contact Crimestoppers at (318) 673-7373 or visit the website at P3tips.com.
