## **Shreveport Police investigate home invasion**

Shreveport Police investigators are probing a home invasion which took a deadly turn in west Shreveport overnight.

Just after 1:00 a.m. on August 7, 2018, Shreveport Police patrol officers were called to a residence located in the 3500 block of Valley View Drive relative to a home invasion. Upon officer's arrival there, a 34 year old male victim was found suffering multiple gunshot wounds. The victim was taken to University Health Hospital where he later died.

Shreveport Police Violent Crimes detectives were called to the home and have begun an ongoing investigation into what transpired at the home. Based on preliminary information gathered, authorities believe two masked intruders made forced entry inside the residence and once inside, demanded money from the victim. The suspects, after firing shots at the victim, fled the scene and remain at large. Shreveport Police are asking anyone with information relative to the crime to contact Crimestoppers at (318) 673-7373 or visit P3tips.com.
