FOR IMMEDIATE RELEASE

Man recovering following late night shooting

A Shreveport man continues to recover following a shooting overnight in Shreveport's Allendale neighborhood.

Just after 11:15 p.m. on September 7, 2018, Shreveport Police patrol officers were dispatched to the 1500 block of Abbie Street relative to a shooting. Upon their arrival, officers discovered 36 year old Joseph Wayne Kenny suffering multiple gunshot wounds to the upper body. Kenny was taken by ambulance to University Health Hospital with injuries considered by medical staff, to be life-threatening.

It was learned Kenny was spotted by a motorist who was passing by, when they observed Kenny lying along the side of the roadway. Authorities did gather some evidence at the scene of the crime which will hopefully provide some insight as to the identity of the suspect involved in the incident. Police are urging anyone with any information about the shooting to contact Crimestoppers at (318) 673-7373 or visit P3tips.com.

Crimestoppers is offering a reward for information leading to the arrest of the person or persons responsible for this crime.
