MAYOR SELECTS NEW PROJECT MANAGER FOR CONSENT DECREE

On April 4, 2019, the Architect and Engineering Committee convened to discuss the Program Manager submittals for the Capital Improvement and Consent Decree project. The committee ranked the submissions and presented them to the Mayor.

One firm in particular demonstrated superior program management experience. The committee unanimously selected that firm as their top choice.

After reviewing the proposals, the Mayor stands by the committee's recommendation. Burns & McDonnell/ Bonton will be the City's new Consent Decree program management team.
