## Police make arrest in drive-by shooting

Shreveport Police have a man in custody following a drive-by shooting in north Shreveport last night, and are searching for two others believed to be involved.

On May 2, 2020, just after 9:15 p.m. Shreveport Police patrol officers responded to the 1900 block of West Jordan on reports of a shooting. Arriving officers searched for a victim and canvassed the neighborhood. Homes and cars had sustained damage from the gunfire and officers located a crashed vehicle on scene and another, a gray Cadillac, at the intersection of West Jordan and Norma Street. The gray Cadillac was later determined to be the suspect's vehicle. Following the crash, the suspects fled from that vehicle and were last seen running through the parking lot of a church nearby. Nobody was injured in the melee.

Violent Crimes detectives arrived on scene and following interviews and preliminary examination of the on scene evidence, learned that three men in the gray Cadillac fired shots at a home in the block. Officers were able to take one of those men, 26-year-old Lacorion Strong, of the 8900 block of Youree Drive, into custody. Following interviews with investigators, he was charged with Attempted Second Degree Murder. A warrant was also issued for 24-year-old Labruce Strong, last known address of 4025 Golf Links Boulevard, charging him with one count of Attempted Second Degree Murder as well. No bond was set.

Weapons were recovered that were believed to related to the crime. The investigation is still ongoing and the third suspect has not yet been identified.

Caddo Parish Crime Stoppers is offering a reward leading to information that will identify the third suspect in this matter. They will pay an additional reward for information leading to the whereabouts of Labruce Strong. Contact their organization at 318-673-7373, Lockemup.org, or via their app, P3Tips.
