FOR IMMEDIATE RELEASE

Multiple injuries following a major crash

A major accident left multiple people injured and long traffic delays following a crash near the intersection of East Bert Kouns Industrial Loop and Fern Avenue. At around 1:30 p.m., Shreveport Police responded to a major crash in the 1300 block of East Bert Kouns Industrial Loop. Officers arrived and located four damaged vehicles that had been involved in a crash. Two of the victims were transported to Ochsner LSU Health with serious injuries. Another victim was transported to Willis Knighton by private auto with minor injuries.

Crash investigators responded to this location and began an accident investigation. Three of the four vehicles had to be towed due to severe damage. Preliminary investigation suggested that alcohol was not a factor in this accident. At this time one of the victims remains in critical condition and the other victim is in stable condition. This crash investigation is on-going.
