1) Disadvantaged Business Enterprise

The Contractor agrees to ensure that disadvantaged business enterprises have the maximum opportunity to participate in the performance of this contract and any subcontracts for supplies, equipment, construction, or services that may be let. In this regard, the Contractor shall take all necessary and reasonable steps to ensure that disadvantaged business enterprises have the maximum opportunity to compete for and perform services relating to this contract.

The following affirmative steps for utilizing DBEs are required:

- a. Ensure DBEs are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government recipients, this will include placing DBE's on solicitation lists and soliciting them whenever they are potential sources.
- b. Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
- c. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government recipients, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBE's in the competitive process.
- d. Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
- e. Use the services and assistance of the Small Business Administration (SBA) and the Minority Business Development Agency of the Department of Commerce.
- f. If the Contractor awards subcontracts, the Contractor is required to take steps outlined above (a. – e.).

The Contractor shall also maintain records documenting compliance with the six good faith efforts.

The Contractor shall not discriminate on the basis of race, color, national origin, sex, handicap, or age in the performance of this contract. The Contractor shall carry out applicable requirements of 40 CFR Part 33 in the award and administration of contracts awarded under EPA financial assistance agreements. Failure by the Contractor to carry out these requirements is a material breach of this contract which may result in the termination of this contract or other legally available remedies.

The Contractor shall pay all subcontractors for satisfactory performance no more than 30 days from the Contractor's receipt of payment from the Department.

The Contractor shall notify the Department in writing prior to any termination of DBE subcontractor for convenience.

If a DBE subcontractor fails to complete work for the Contractor for any reason, the Contractor shall employ the six good faith efforts if soliciting a replacement subcontractor.

2) Federal Funding and Accountability and Transparency Act

As provided in the EPA General Terms and Conditions, the Contractor is required to report to the Department the total compensation of its five most highly compensated executives for the preceding completed fiscal year if:

- a. in the Contractor's preceding fiscal year, the Contractor received:

3) Debarment and Suspension

The Contractor shall ensure that subcontract awards are not made to parties listed on the government-wide exclusions in the System for Award Management (SAM), "Debarment and Suspension", at: <https://www.sam.gov/SAM/>. SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

4) Limits of Fees Charged by Individual Consultants

The Contractor shall ensure that the salary rate (excluding overhead) paid to individual consultants is limited to the maximum daily rate for a Level IV of the Executive Schedule, available at: <https://www.opm.gov/policy-data->

oversight/pay-leave/salaries-wages/, to be adjusted annually. This limit applies to consultation services of designated individuals with specialized skills who are paid at a daily or hourly rate. This rate does not include transportation and subsistence costs for travel performed; (the Contractor will pay these in accordance with their normal travel reimbursement practices.) This restriction is based on EPA requirements implemented at 2 CFR 1500.9(a) and the EPA General Terms and Conditions.

5) Restriction on Lobbying

In accordance with 40 CFR Part 34 and the EPA General Terms and Conditions, the Contractor shall submit certification of compliance with the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) to the Department. The Contractor must certify, and if applicable, must require its subcontractors to certify, that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. The Contractor must also disclose, and must require its subcontractors to disclose, any lobbying with non-Federal funds that takes place in connection with obtaining the award of this Contract.

2.3 All efforts must be documented.

2.4 Direct commodity purchases made by the City are exempt from the program.

#### 3.0 FAIR SHARE CONTRACT CLAUSES

3.1 The following Fair Share Contract Clauses and Good Faith Effort Requirements are only a small part of the Fair Share Program.

3.1.1 The Fair Share Program full text and forms that will be needed are posted in the Purchasing Office, or available upon request, or available on our web site at [www.shreveportla.gov](http://www.shreveportla.gov), and are incorporated by reference in all solicitation documents with the same force and effect as if set forth in full text.

3.2 Prompt Payment Clause

- 3.2.2 Prime contractors shall then be required to ensure payment is made to any designated small or disadvantaged business (subcontractors), within fifteen (15) business days of receipt of payment to the prime contractor from the City.
- 3.2.3 Upon satisfactory completion of a contract, the City and/or prime contractor will ensure that any retainage payments are returned within thirty (30) business days.
- 3.2.4 Failure to comply with the terms of this requirement may be grounds for termination of the contract by the City.
- 3.3 **Affirmative Action Clause**
- 3.3.1 The contractor, sub recipient, or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract.
- 3.3.2 The contractor shall carry out applicable requirements of the appropriate funding guidelines for each contract. Failure by the contractor to carry out these requirements is a material breach of the contract which may result in the termination of this contract or such other remedy as the City deems appropriate.
- 3.4 **Participation of Small Disadvantaged Business Concerns**
- 3.4.1 It is the policy of the City of Shreveport that all prime contractors and service providers utilize qualifying small disadvantaged business concerns.

- 3.4.3 Specific goals are set on federally funded contracts as determined by the regulating federal agency and language to that effect shall be included in those contracts.
- 3.4.4 Failure by a contractor or service provider to include these designated businesses could constitute breach of contract and result in remedial action.
- 3.4.4.1 Assurance of utilization of FSC, S/DBE, and DBE subcontractors is given through FSC FORM 4, Letter of Intent.
- 3.5 **Subcontractor Payment Certification**
- 3.5.1 Every contract by the City for the performance of work will contain a provision requiring the prime contractor to certify in writing that all subcontractors and suppliers have been paid for work and materials from previous progress payments received (less any retainage) by the prime contractor prior to receipt of any further progress payments.
- 3.5.2 In the event a contractor is unable to pay subcontractors or suppliers until it has received a progress payment from the City, the prime contractor shall pay all subcontractors or suppliers funds due, from said progress payments within forty-eight hours of receipt of payment from the City.
- 3.5.3 During the contract and upon completion of the contract, the City may request documentation to certify payments to subcontractors or suppliers. This provision in no way creates any contractual relationship between any subcontractor and the City or any liability on the City for the contractor's failure to make timely payment to the subcontractor.

- 3.7 PRE-BID EFFORTS REQUIRED REGARDING S/DBEs or DBEs
