AMENDMENT #1

RFS #22-707

Consultant for 2022 Roadway and Drainage Improvements

Proposers on the project are hereby notified that this amendment shall be attached to and made part of the above named solicitation documents dated April 25, 2022. The following items are issued to add to, to modify, and/or clarify the solicitation documents. These items shall have full force and effect as the solicitation documents. Proposals, to be submitted on the specified date, shall conform to the additions and revisions listed herein. Failure to do so may subject the proposal to being declared as non-responsive.

It shall be the proposer's responsibility to make inquiry as to any amendments issued.

Questions and Clarification

1. In reviewing Section 13.1.3 part a. of the SOQ, it states we need a mechanical and controls engineer and a lead industrial coating engineer. Is the request for these assigned personnel correct for a Roadway & Drainage contract?

13.1.3 (a) has been removed from the submission requirements.

2. He said that section 13.1.3 ask for info for an electrical, mechanical and controls engineer and an industrial coating engineer. This is very specific to certain projects but is not appropriate for this project. Can we revise this and get the info sent out/changed on Bid Sync?

13.1.3 (a) has been removed from the submission requirements.

3. Can you please clarify if we need to provide an SF330 as Prime and a separate SF330 for a subconsultant, or is it a blended SF330?

Per section 14.1.6 of the submission requirements, provide the qualifications of both DBE/Fair Share and other sub consultants you intend to use on this project.

All questions must be submitted in writing. E-mail questions to Shay Meadows at shay.meadows@shreveportla.gov. Continue to monitor BidSync and the City website www.shreveportla.gov/solicitations for any additional amendments.
