Residential Fire – 6400 Block of Oak Valley Drive

Shreveport Fire Department fire crews were dispatched at 4:24PM this evening to the 6400 block of Oak Valley Drive to a reported single-story wood framed residential fire. Fire Engine 18 was the first fire engine on scene and reported light smoke visible from the front door of the structure. Firefighters were able to enter the home through the front door and locate and extinguish the fire. The residence received moderate damage to the kitchen area of the residence.

It took the efforts of 12 firefighters—4 fire units, only moments to bring this blaze under control. All occupants were able to escape unharmed. The cause of this fire was revealed to be food on the stove. All occupants will reside with family members until repairs can be made.

If you or someone you know needs a free smoke detector, please contact the Shreveport Fire Department Fire Prevention Bureau at 318-673-6740. There were no injuries reported to firefighters. ###
