HEROES CAREER FAIR

The Shreveport Police Department is very excited to partner with the Caddo Parish Sheriff's Office, the Shreveport Fire Department, and the Shreveport City Marshal's Office for the Inaugural North Shreveport Business Association "HEROES Career Fair."

The event was initiated, organized, and sponsored by the North Shreveport Business Association after seeing the need to hire our next generation of public servants. The career fair will be from 9 a.m. to 2 p.m. on September 16th and will give those seeking a career in public service the opportunity to see what our area's top agencies have to offer.

We will have activities for kids and even a dunk tank where you may get the opportunity to sink one of our local celebrities. Don't worry we will also be playing the LSU football game for those who need their purple and gold.

Come join us at the Northwest Louisiana Technical Community College located at 2010 N Market St, Shreveport, LA. We look forward to meeting you. Media partners are invited to attend.
