**City of Shreveport Stands with Israel**

In the wake of the recent attacks on Israel, Mayor Tom Arceneaux voiced his unwavering support for Israel, a cherished ally of the United States. “The attack by Hamas against our staunch ally, Israel, resulting in over 700 Israeli deaths is Israel’s 9/11. Hamas seeks nothing less than Israel’s destruction, and I, and all of America, must stand with Israel throughout this war. Am Yisrael Chai – The people of Israel live.”

Mayor Arceneaux’s powerful statement underscores the solidarity and support of the Shreveport Community for the people of Israel during this challenging time. The City of Shreveport stands firmly with Israel, recognizing the importance of unity and strength in the face of adversity.
