**CITY OF SHREVEPORT PUSHES BACK WATER CUTOFF DATE IN AN EFFORT TO
HELP RESIDENTS OF THE PINES APARTMENTS**

The City of Shreveport has reconnected water service today at the Pines Apartments (8040 Line Avenue) due to the landlords' nonpayment of utility invoices.

The City was unaware of the exact number of affected residents at the Pines Apartments until this morning. In light of the number of affected legal residents, Mayor Tom Arceneaux instructed the City's Water and Sewer Department to reconnect water this afternoon after it had been cut off this morning. The City will cut off water at the Pines Apartment on May 31st, 2024, the same date as that for Villa Norte and Jolie Apartments. The extension provides additional time for residents to make necessary arrangements and explore available options for temporary housing and assistance.

Any resident of the Pines Apartments in need of alternate housing options should contact the City's Department of Community Development at 318-673-5900. That Department may be able to assist in finding alternate housing arrangements.
