FOR IMMEDIATE RELEASE

July 18, 2025

---

**Knight Street Road Closures**

Tuesday July 22<sup>nd</sup>, beginning at 6:00 am, the contractor for the City of Shreveport will close the southbound lane of Knight Street just south of South Point Parkway to Flyer Drive. Two-way traffic will resume between South Pointe Pkwy and Shreveport-Barksdale Hwy. This work is scheduled for approx. 6 weeks.

The closure is necessary to construct the southbound lane of Knight Street. During this phase, the driveways to the properties on the west side of Knight Street within the construction area will be removed along with the west side of the roadway. Temporary driveway access to properties will be provided and maintained by the contractor at all times.

Traffic on South Pointe Parkway will be required to utilize Dee St and Flyer Dr to detour back to Knight St. Northbound traffic on Knight St will be open during this phase of construction. Southbound traffic on Knight St will continue to use Flyer Dr to detour back to Knight St. Please follow all signing and as always use caution in the work zone.

Any questions should be directed at the city engineering staff at 318-673-6000. Diagram on second page for reference.
