Dollar Mania to Host Press Conference at Government Plaza

Mr. Musa of Dollar Mania will hold a press conference at Government Plaza on Wednesday, July 30th at 10:00 am in regard to school uniform vouchers at Dollar Mania stores. As in previous years, we remain dedicated to supporting these efforts by providing a designated space specifically for the press conference. Please note, however, that the space is to be used only for the press conference and not for voucher distribution or any other activities. According to Mr. Musa, he will work with Caddo Parish School System for the distribution of the vouchers.

We appreciate his partnership and concern for the students of Caddo Parish. For additional information, please contact Mr. Musa at 318-636-2300.
