Armed Juvenile Arrested Following Citizen Reports and Ongoing Investigation

Tevarus Holden

On July 14, 2025, citizens in the 1800 block of Fulton Street contacted Shreveport Police Investigators regarding individuals walking the streets with firearms and discharging them in public. Investigators quickly identified 1826 Fulton Street as a possible source of the activity and began research and surveillance on the location.

On August 20, 2025, the suspect was observed running from the residence in broad daylight to the corner of Joplin and Midway, where he fired several rounds. Concerned citizens provided investigators with security video, photographs, and detailed descriptions of both the suspect and the firearm. Investigators also recovered shell casings from the scene, which were photographed and collected as evidence.

Citizens continued to update investigators about the suspect's ongoing possession of the firearm. Based on this information, investigators obtained an arrest warrant for the suspect and a search warrant for the residence on August 25, 2025.

On August 27, 2025, at approximately 7:00 a.m., both warrants were executed. Seventeen-year-old Tevarus Holden was taken into custody without incident. The firearm described by citizens was located and seized.

Holden has been charged with:

- Illegal Use of a Weapon
- Illegal Possession of a Handgun by a Juvenile

The Shreveport Police Department would like to thank the citizens who provided critical information and evidence throughout this investigation. Their willingness to work alongside law enforcement played a key role in bringing this case to a safe resolution.
