Shreveport Fire Department Mourns the Loss of Captain Victor Green

Captain Victor Green

Hire Date: 6/16/1995 (30 years of service)

It is with great sadness that I announce the passing of Shreveport Fire Department Captain Victor Green on Monday, October 6, 2025. I want to personally thank the dedicated Shreveport Fire crews and the compassionate staff at Christus Highland Medical Center for the efforts and care they provided to Captain Green during this difficult time. Their professionalism and commitment are deeply appreciated by our department and by Captain Green's family.

Captain Green began his distinguished career with the Shreveport Fire Department on June 16, 1995. For 30 years, he devoted his life to serving the citizens of Shreveport with honor and dedication. He was most recently assigned to Fire Station 21 as a valued member of our Aircraft Rescue and Firefighting program, providing critical fire protection services at the Shreveport Regional Airport.

During this time of mourning, we ask our citizens to please keep Captain Green's family, loved ones, and our department in your prayers. This marks the second loss our department has suffered within the span of a month, and the weight of this grief is heavy. Yet, even in our sorrow, we are encouraged and uplifted by the legacy Captain Green leaves behind. He was more than a firefighter. He was a great friend, a brother, and a mentor to many within our ranks. His leadership, kindness, and service will not be forgotten. We honor Captain Green's memory and his lifetime of sacrifice to the City of Shreveport.

Respectfully,

Clarence Reese, Jr.

Fire Chief
