Quick Arrest After Elderly Woman Reportedly Robbed on West 70th

Dylan Johnson

Just after 10:30 AM on November 13th, Shreveport Police officers responded to the 500 block of West 70th Street after a concerned citizen reported that an elderly woman had been robbed at a nearby gas station.

Thanks to the witness's quick action, officers were able to spot the suspect at West 70th Street and Mansfield Road. When officers attempted to detain him, he physically resisted. Officers delivered several hand strikes to gain compliance, and with the help of additional units, the suspect — Dylan Johnson — was taken into custody.

Johnson was arrested for resisting. Officers later learned he also had an outstanding warrant through Probation & Parole. Additional robbery charges are pending.

The victim is expected to recover.
