Armed Confrontation Leads to Arrest; Minibike Returned to Owner

Tralyn Clark

Shreveport Police officers responded to a reported armed robbery on November 16, 2025, at approximately 2:55 p.m. in the 1700 block of Fulton Street. The initial caller reported that his minibike had been taken at gunpoint.

Upon arrival, officers contacted the victim, who stated he had been forced out of a Nissan Altima at gunpoint by the driver, who then drove away with the minibike in the back seat.

Violent Crimes investigators quickly learned that other patrol officers had already located the suspect vehicle and recovered the minibike. The driver—identified as Tralyn Clark—and a witness were detained without incident.

Further investigation revealed that the minibike was not the focus of the dispute. The victim and a friend had loaded the minibike into Clark's vehicle. An argument ensued between the victim and Clark regarding how long Clark was taking. During the argument, Clark reportedly produced a firearm and ordered the victim out of the car. The victim exited the vehicle, and Clark drove away with the minibike still inside.

The minibike was returned to its owner.

Tralyn Clark (21) was arrested by Shreveport Police officers for Aggravated Assault with a Firearm.

The Shreveport Police Department remains committed to thoroughly investigating violent incidents and ensuring the safety of our community. Anyone with additional information regarding this case is urged to contact the Shreveport Police Department or Caddo Crime Stoppers at 673-7373.
