

CITY OF SHREVEPORT
MAYOR TOM ARCENEUX

FOR IMMEDIATE RELEASE

December 5, 2025

City of Shreveport Begins Mailing 2025 Property Tax Bills

Citizens in Shreveport will be receiving their 2025 property tax bills later than usual this year. Tax information may now be accessed on the Internet and paper bills will be mailed starting early next week.

The City's Finance Department received the official tax rolls from the Caddo Parish Tax Assessor several weeks later than had been expected. After the rolls were received, they had to be checked for errors and formatted for billing before being mailed or posted on the Internet.

The normal due date for property tax bills is December 31, which is based on a mailing date in mid-November. *Because of the delay, the City will consider payments made by January 16, 2026, to be timely.*

Property owners may access their tax information at <https://www.shreveportla.gov/288/Property-Tax-Information>. The Revenue Office on the ground floor of Government Plaza is ready to provide in-person help or may be reached at (318) 673-5500.
