Shreveport Police Arrest Man for Aggravated Assault with a Firearm

Donnell Gray

On December 17, 2025, at approximately 6:00 a.m., officers with the Shreveport Police Department responded to an assault and battery call in the area of Baird Road and Mansfield Road. The incident involved a reported aggravated assault in which a firearm was brandished during a parking lot confrontation.

While en route to the call, officers were advised that the victim and suspect were employees working around a nearby Walmart. Officers responded to Walmart in an effort to locate either party. During the investigation, officers were informed that the suspect, described as a Black male, had left the scene in a white Crown Victoria.

Officers later observed a Black male with a vehicle matching the description. The individual was identified as Donnell Gray.

Officers contacted the victim, who stated he went on break at approximately 2:50 a.m. and drove to the RaceWay located at 9500 Mansfield Road to purchase cigarettes. He advised that he had previously placed an order at a nearby Whataburger and was waiting to pick it up.

The victim reported that Gray initially acted as if he were entering the Raceway, then suddenly turned around and brandished a firearm. According to the victim, Gray told him, "Get your bitch ass out of the car." The victim stated he feared he was about to be shot and immediately fled the scene. He positively identified both the suspect and the suspect's vehicle without prompting.

During the investigation, Gray admitted that he knew the victim was with his ex-girlfriend and stated that he was angry. When asked if he was armed, Gray initially told officers that he had dropped the firearm off at his residence. However, a subsequent search of the vehicle revealed a firearm located in the trunk, concealed under a tire inside a black backpack.

Donnell Gray was arrested and charged with one count of Aggravated Assault with a Firearm.

The Shreveport Police Department takes incidents involving firearms and violent threats seriously and remains committed to ensuring the safety of our community.
