### Shreveport Fire Department Quickly Extinguishes Fire on Fulton Street

**SHREVEPORT, LA** – The Shreveport Fire Department responded to a residential structure fire in the 3100 block of Fulton Street on the evening of December 23, 2025.

The emergency call was received at 9:16 PM. The first arriving unit, Engine 8, reached the scene at 9:19 PM, just three minutes after dispatch. Firefighters worked efficiently to contain the blaze, declaring the fire under control at 9:24 PM.

A total of 8 units and 24 department members responded to the incident to ensure the fire was safely extinguished and the area secured. There were no reported injuries to any civilians or to the members of the Shreveport Fire Department.

The cause of the fire is currently under investigation by Shreveport Fire Prevention.

CLARENCE J. REESE, JR.
