The statement below reflects the regulations, according to City Ordinance, by which all commercial businesses must abide to receive curbside garbage disposal by the City of Shreveport. There will be a monthly garbage fee of \$7.00 (Ord. No. 23, 2019, 3-26-19) added to your Water & Sewer account as required per ordinance.

The City of Shreveport, Solid Waste Department will deliver one (1) 96 gal. Garbage Cart per address for curbside garbage disposal. Carts must be placed on the curbside no later than 7:00 AM on your specific pick-up day. All items for disposal must fit inside your cart. This includes items such as yard waste, and boxes. Any items on top of the carts or beside the carts will not be picked up.

If one (1) 96gal.Garbage Cart is not enough for your business's specific needs, you can lease one additional garbage cart. The leasing fee is a one-time fee of \$50.00.

In the event that your business closes or moves, you must notify our Public Works Office at (318) 216-0825. This will ensure that your garbage service is continued if you relocate within the City Limits. If you are closing, we will need to pick up the carts.

If your business can comply with the criteria stated above, please sign below, and send back to our office for processing. In the event your business is unable to comply with these regulations, you will need to contact a private hauler for your garbage disposal needs.
