Shreveport Police detectives are working to locate the suspect who robbed a local convenience store early Sunday morning.

Just before 3:30 a.m. on September 25, 2016, Shreveport Police patrol officers responded to the Circle K located in the 300 block of W.70th Street. On officer's arrival there, information was gathered suggesting a lone gunman entered the business wearing a white t-shirt, dark pants, a blue bandana, armed with what appeared to be a rifle. Once inside the business, the man demanded employees there hand over cash from the register. The suspect reportedly robbed two customers inside the business of their cash while committing the robbery of the store.

After making off with an undisclosed amount of money, the gunman fled the business on foot, later seen getting into what was described as a late 90's model Isuzu Rodeo. Investigators with the Shreveport Police Department's Robbery Unit were called to the scene of the crime, at which time an investigation began. Surveillance images of the incident were captured in effort to identify the person responsible for the crime. No injuries were reported. Anyone with information about the robbery is asked to contact Crime Stoppers at (318) 673-7373 or visit their website at www.lockenup.org
